

746 Wildwood Lane, Stillwater, MN 55082

Amazing resort-like property with a meticulous home. Light, bright and airy with an open floor plan, huge vaulted ceilings and lots of windows. Tons of updates. Desirable main floor master suite and all living facilities on one level. 6 car heated garage, 3 on the main house level and 3 down with a separate driveway entrance. Yard is fully fenced with a like new saltwater pool as it has had just about all the mechanicals updated. Please see photo tour!
