

1875 Stillwater St, White Bear Lake Township, MN 55110

Charming, charming, charming is the only way to describe this beautiful rambler home in White Bear Lake Township. So very quaint from the well manicured lawn to the home that shows very well. 3 bedrooms, 3 baths and over 2700 sq ft finished. This is one that will capture your heart along with your families. Wonderful neighborhood. This home has been totally remodeled in 1998, but has kept that old charm about it....
